LEGAL NOTICE

If You Bought A Cathode Ray Tube Product, A Class Action Settlement May Affect You.

Cathode Ray Tube (CRT) Products include CRTs, Televisions, Computer Monitors, and other products containing CRTs.

**Para una notificación en Español,
llamar o visitar nuestro website.**

You may be affected by a class action lawsuit involving CRT Products purchased indirectly from the Defendant companies. "Indirect" means that you did not buy the CRT Product directly from any Defendant. The lawsuit seeks: (a) nationwide injunctive relief to prohibit the Defendants' behavior that is the subject of the lawsuit and (b) money for indirect purchasers in 23 states.

A Settlement has been reached with Chunghwa Picture Tubes Ltd. ("Chunghwa"). The litigation is continuing against the remaining Defendants. A complete list of defendants is set out in the Detailed Notice available at www.CRTsettlement.com.

What is this case about?

The lawsuit claims that numerous Defendants, including Chunghwa, conspired to fix, raise, maintain or stabilize prices of CRT Products resulting in overcharges to consumers who bought CRT Products such as Televisions and Computer Monitors. The Defendants deny that they did anything wrong. The Court has not decided who is right.

Who is Included?

The Settlement Class includes any person or business that indirectly bought in the U.S. from March 1, 1995 through November 25, 2007, any CRT Product made by the Defendants. Both consumers and resellers are included in the Settlement Class.

What does the Settlement Provide?

The Settlement provides for the payment by Chunghwa of \$10,000,000 in cash, plus interest, to the Settlement Class. It also provides that Chunghwa will furnish information about the case, including other Defendants' involvement in the alleged conspiracy, to Class Counsel. Money will not be distributed to Class Members yet. The lawyers will pursue the lawsuit against the other Defendants, to see if any future settlements or judgments can be obtained in the case and then distribute the funds together to reduce expenses. It is possible that money will be distributed to organizations who are, as nearly as practicable, representative of the interests of indirect purchasers of CRT Products instead of Class members

themselves if the cost to process claims would result in small payments to Class Members.

Who Represents You?

The Court has appointed Mario N. Alioto of Trump, Alioto, Trump & Prescott LLP as Interim Lead Counsel. You do not have to pay these lawyers to represent you. You may hire your own attorney, if you wish, but if you do so you will be responsible for your own attorney's fees and expenses.

What are your Options?

If you wish to remain a member of the Settlement Class you do not need to take any action at this time. If you don't want to be legally bound by the settlement, you must exclude yourself in writing by **Month 00, 2011**, or you will not be able to sue, or continue to sue, Chunghwa about the legal claims in this case. If you stay in the Settlement Class, you may object to the settlement by **Month 00, 2011**. The detailed notice describes how to exclude yourself or to object. The U.S. District Court for the Northern District of California will hold a Fairness Hearing at <Time> on **Month 00, 2011**, at JAMS, Two Embarcadero, Suite 1500, San Francisco, CA 94111. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check www.CRTsettlement.com. At this hearing the Court will consider whether the Settlement is fair, reasonable and adequate. The Court will also consider Interim Lead Counsel's request for payment of \$2.5 million from the Settlement Fund to be used for expenses incurred in this case. If there are objections or comments, the Court will consider them at that time. You may appear at the hearing, but you don't have to. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. Please do not contact JAMS or the Court about this case. Please retain any receipts or other evidence of purchase of any CRT Product. Before disposing of any CRT Product please see the Detailed Notice for recommendations on preserving proof of ownership.
